2026 CIVI AWARDS

Genesee Valley BOCES

Districts within Genesee Valley BOCES are dedicated to fostering civic-mindedness within their communities by providing students with a pathway to earning the New York State Seal of Civic Readiness. The purpose of the 'Civis' awards is to honor students/districts in our region who exhibit exceptional civic-minded qualities, take meaningful actions, and effect positive change within their communities and beyond.

What are the Civi Awards?

Educators and administrators within the Genesee Valley BOCES Region who offer the Seal of Civic Readiness, are able to submit nominations for students that display exemplary work within their Seal programs. Award winners will be selected by a committee of educators and community stakeholders. Award criteria and nominations are available below.
